### **PGDC Company**

**Any student wishing to be part of the PGDC Company must enroll in the Mini, Junior, or the Teen/Senior class intensive. Selection into company will be through one of these classes-- there will NOT be a separate audition.**

**The company program allows the more serious student, between the ages of 5 - 18, to experience the competition side of dance. This element of dance teaches the more focused dancer the ability to learn and perfect choreography at a much quicker pace. Demands are great, but the rewards are tremendous. Please notate on the summer registration form where requested, if you are interested in being considered for company 2017-18!**

**COMPLETE REGISTRATION AT TOP OF PAGE 1 AND RETURN TO OFFICE BY JUNE 1<sup>ST</sup>.**
